BEFORE ENROLLING

Here is a short list of items you will need to submit before completing enrollment:

-  Your child's original birth certificate (copies will be made at the academy)
-  A completed School Entrance Health Form (current physical and record of immunizations*)
-  Completed enrollment packet
-  A check or money order made payable to "Merrifield Child Development Academy" for the non-refundable registration fee.

*In Virginia, no certificate of immunization is required for admission if student or his parent submits an affidavit to the admitting official stating that the administration of immunizing agents conflicts with the student's religious tenets or practices. Immunization documentation must be updated as your child ages and receives medical services.
